## Overview

This PDF bundles the primary Community Engine documentation for legal\_compliance. Source of truth remains the repository markdown; diagrams should be re-rendered before export.

## Legal/Compliance Guide

Documentation for regulatory compliance, privacy policies, and legal requirements management.

### Privacy and Data Protection

- Privacy Principles - Platform privacy and security principles

### Legal Procedures

- Escalation Matrix - Handling serious incidents

### Cooperative Compliance

Better Together’s legal compliance reflects cooperative values, emphasizing transparency, user rights, community control, and democratic accountability in all legal and regulatory matters.
